Casegoods: **Andavi**

Design: **Annie Lee and David Rush**

Rules for Layout and Specification:

- Specify entire unit starting with the left most section and going from top to bottom.
- Each section must contain the same width cabinets.
- Do not add the Post/Height cost for the last section, as the posts are not needed for the last section.
- Minimum gap between cabinets is 3-in
- Maximum gap between cabinets is 21-in.
- 96-in height allows 78-in of cabinet space; 69-in height allows 54-in of cabinet space.
- Storage cabinets are 9-in off the floor and 9-in below top of posts on the 96h, 9-in off the floor and 6-in below top of posts on the 69h.
- For end hanging cabinets use 12w or 18w only when facing front or back.
- Only 18w and 24w (18d only) cabinets can be used for end facing units.
- All end hanging cabinets must be taller than they are wide.
- 18d wardrobes will have a coat hook.
- 21d wardrobes will have a coat rod.
- Multiple depths can be used in the same section.
- Cabinets can be installed facing front or back.
- Overall units can be no less than 4 sections wide, and 96-in minimum width total.
- BPG is magnetic.
- All fabric is COM.
- All pricing is in Wood 1, For Wood 2 add 10%.
- Cabinets are finished all sides, mitre folded construction.
- Pulls are integrated into face; Finish is MRBAS, Metal Resin Brushed Aluminum w/ Steel Tint.
- Drawered pedestals can only be used in the lower part of a section.
- Electrical cabinets/Height Adjustable cabinets come with accessory outlets (3Duplex /1Duplex USB Charging).
- All electrical outlets are a hardwired, 2-circuit, 4-wire system.
- Do Not use two different height posts in the same run.
- Runoff can only be used with the electrical cabinet.
- Wire housings are only needed for covering the core drill not needed on every electrical cabinet.
- Specify single door cabinets/wardrobes with an [L] for left or [R] for right after Spec code for hinging.
- (M) denotes monitor-ready backs on 21d cabinets. Includes false back and wire chase; add (M) after spec code to designate cabinet.

How to Order Sections:

Specify the Post Prefix Code, code for Module, code for Center or Back material, and, if desired, code for Light. The price is the sum of the component prices for each. Example from listings on page AAN4:

Product number AND1296-ACXC-AGYF;

List Price is $607 + (1743 + 0) + (2292 + 171) = \4813 .

+ Options:

Standard Post metal finish is MRTG Resin Thunder Gray. For Resin Satin Aluminum, specify MRSA; for Resin Black, specify MRB; for Resin White, specify MRW.
 Specify Back-Painted Glass (GlassBP) color: S.BLK Black or S.BWT White; custom colors on a project basis.
 For Locks, specify LD for door locks, add \$161.
 Wood prices are shown at Wood1; for Wood2, add 5%.
 Specify single door cabinets/wardrobes with an [L] for left or [R] for right after Spec code for hinging.

See Rules for Layout and Specification on page AAN3.

> How to Order Sections:

Specify the Post Prefix Code, code for Module, code for Center or Back material, and, if desired, code for Light.
 The price is the sum of the component prices for each. Example: Product number AND1296-ACXC-AGYF;
 List Price is 607 + (1743+0) + (2292+171) = \$4813.

+ Options:

Standard Post metal finish is MRTG Resin Thunder Gray. For Resin Satin Aluminum, specify MRSA; for Resin Black, specify MRB; for Resin White, specify MRW. Specify Back-Painted Glass (GlassBP) color: S.BLK Black or S.BWT White; custom colors on a project basis. For Locks, specify LD for door locks, add \$161; specify LG for drawer locks, add \$223. Wood prices are shown at Wood1; for Wood2, add 5%. Specify single door cabinets/wardrobes with an [L] for left or [R] for right after Spec code for hinging.

See Rules for Layout and Specification on page AAN3.

+ Options:
 Standard Post metal finish is MRTG Resin Thunder Gray. For Resin Satin Aluminum, specify MRSA;
 for Resin Black, specify MRB; for Resin White, specify MRW.
 Specify Back-Painted Glass (GlassBP) color: S.BLK Black or S.BWT White; custom colors on a project basis.
 For Locks, specify LD; add \$161.
 Wood prices are shown at Wood1; for Wood2, add 5%.

See Rules for Layout and Specification on page AAN3.
